

Musick Notes

May 2009
Graduation

Issue at a glance:

- Graduation
- Summer plans
- Apartment
- Support update

Hi friends,

Summer vacation has officially started. On May 10, I graduated from Wheaton College with a Bachelor's degree in Music Education. For the first time, I will not be going back to school as a student at the end of the summer, though I will be going to school as a teacher!

Apartment: Black Forest Academy has set me up with an apartment to rent for the school year. My roommate for next year attended Moody, and she will be teaching math and science at BFA.

Summer plans: This summer, I am working various odd jobs, raising support for the fall, and preparing for my job at Black Forest Academy. From June 20 through July 3, I will be in New York for a training conference for cross-cultural teaching.

Support update: So far, most of the support that has come in has consisted of one-time gifts. I appreciate these contributions, as they help to cover the one-time expenses. The bulk of the support, however, will need to take the form of monthly commitments. Each month, WorldVenture will deposit money into my account to cover my living and work expenses. Those monthly payments come from the regular donations of contributors. In order for me to buy my plane ticket, I need to have 90% of my monthly budget committed. Would you consider a monthly contribution, even if it is a small amount?

~Jill Musick

I ask that you pray for the following:

- Thank God for providing prayer cards in an unexpected way.
- Pray that God would prepare me for my role as a teacher of missionary children.
- Pray for the students of BFA during these summer months, as many will be with their families.
